

The **one source** for open and endoscopic ligation

Choose from a full portfolio of market leading solutions¹

Efficiency

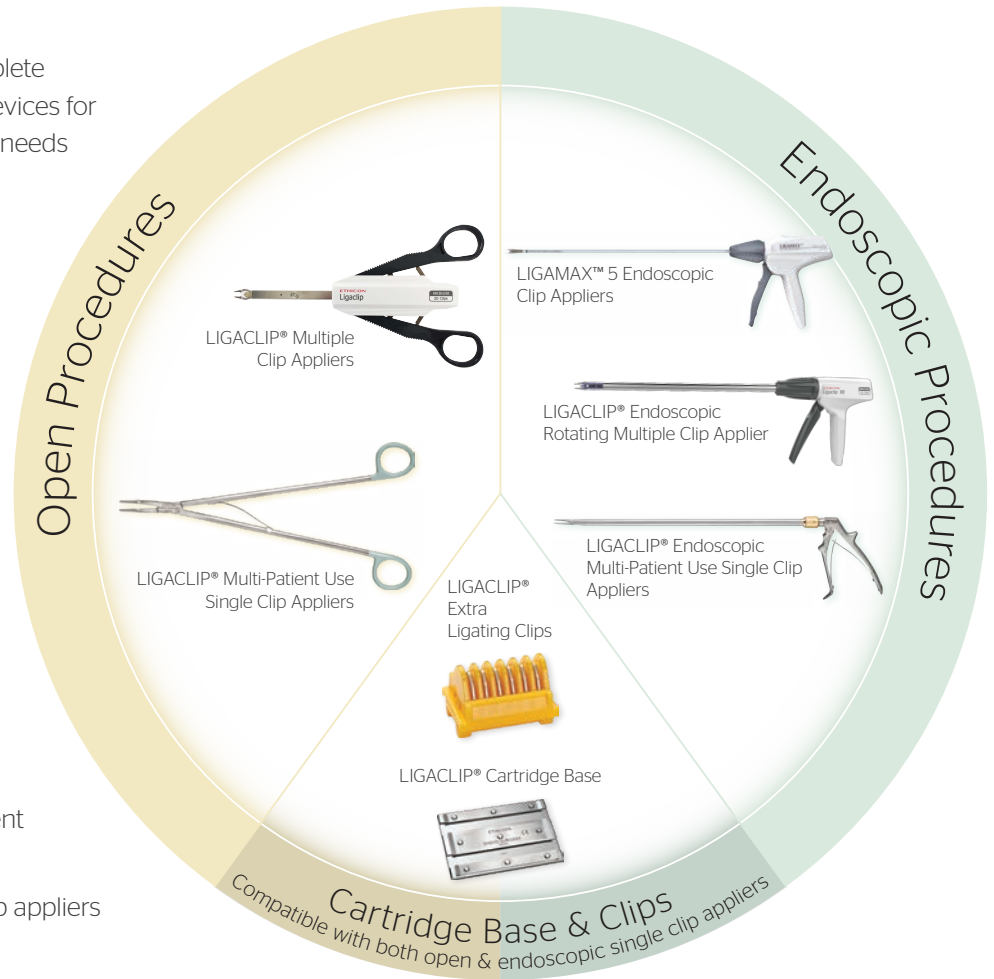

- Ethicon is the only company with a complete portfolio of multiple clip and single clip devices for all of your open and endoscopic surgery needs
- Supports standardization & SKU reduction goals

Performance

- Ethicon's clip applicators and clips are designed to deliver superior retention, efficient ligation and minimal vessel damage²
- All clips feature proprietary lateral and transverse grooves designed for secure fixation on the structure and increased resistance to dislodgement of a formed clip

Value

- Flexibility to choose the optimal instrument for each procedure
- Economic segment provides reusable clip applicators for open and endoscopic procedures
- Lifetime warranty on reusable instruments

Endoscopic Multiple Clip Appliers

LIGAMAX™ 5 Endoscopic Multiple Clip Applier

Superior clip, superior clip security^{3,4}

LIGAMAX 5 Clip Appliers provide clips that are firmly maintained in the jaws of the device during surgical maneuvering to prevent dislodgement. No other leading clip applier provides greater in-jaw clip retention to reduce clip dislodgement.⁴ A direct drive feeding mechanism allows for smooth, controlled clip advancement during feeding with minimal tip movement during clip placement. Unique lateral and transverse grooves on the clips enable secure fixation on structures.

Product code	Diameter	Clip size	# of clips	Clip aperture	Closed clip length	Qty/box
EL5ML	5mm	Medium/Large	15	3.6mm	8.8mm	3

LIGACLIP® Endoscopic Rotating Multiple Clip Appliers

Fast, efficient ligation and minimal vessel damage

LIGACLIP® Endoscopic Clip Appliers are sterile, disposable, and automatic while delivering titanium ligating clips. Devices are preloaded with 20 clips that individually advance after each clip application.

Product code	Diameter	Clip size	# of clips	Clip aperture	Closed clip length	Qty/box
ER320	10mm	Medium/Large	20	4.2mm	8.8mm	3
ER420	12mm	Large	20	5.2mm	11mm	3

Endoscopic Single Clip Appliers

LIGACLIP® Multi-Patient Use Single Clip Appliers

Versatility and superior value

LIGACLIP® Endoscopic Multi-Patient Clip Appliers are reusable instruments that deliver and close metallic ligating clips.

Product code	Diameter	Qty/box	Clip code	# of clips	Clip aperture	Closed clip length	Qty/box
EL214	Medium	1	LT200 ■	6	4mm	5.33mm	36
			LT202 ■	20			15
EL314	Medium/Large	1	LT300 ■	6	6.4mm	8.99mm	18
EL414	Large	1	LT400 ■	6	7.5mm	12.26mm	18

3. Benchtop testing on an elastomeric vessel model comparing the median axial force required to displace a properly formed LIGAMAX™ 5 clip vs leading 5mm competitor Covidien Endo Clip™ III). (1.481 lbs vs 1.136, p<0.0001).

4. Benchtop testing comparing the median force required to dislodge a partially formed clip from the jaws of the LIGAMAX 5 vs. leading competitive devices with anti-backup mechanism (Covidien ENDO CLIP III). Clip closed to 1st ratchet point after distal clip tips touch. (Axial: 3.948lbs vs 0.137, p<0.0001; Transverse: 3.629lbs vs 2.033, p<0.0001).

Open Multiple Clip Appliers

LIGACLIP® Multiple Clip Appliers

Fast, efficient ligation and minimal vessel damage

The LIGACLIP® Multiple Clip Applier (MCA) is designed to offer a fast, efficient means of ligation. Devices are preloaded with 20-30 titanium clips that individually advance after each clip application.

Product code	Length	Clip size	# of clips	Clip aperture	Closed clip length	Qty/box
MCS20	23.8cm	Small	20	2.1mm	3.8mm	6

MCL20	33.7cm	Large	20	6.3mm	10.8mm	6

Open Single Clip Appliers

LIGACLIP® Multi-Patient Use Single Clip Appliers

Versatility and great value

LIGACLIP® Multi-Patient Clip Appliers are designed with patented lateral and transverse grooves on the inner clip surface to provide excellent on-vessel clip security. LIGACLIP® Multi-Patient Clip Appliers are reusable instruments that deliver and close metallic ligating clips.

How to Order

All purchase orders are made to Johnson & Johnson Health Care Systems, Inc. (JJHCS) or your authorized distributor.

Electronic Ordering Options

(Note: Placing orders electronically avoids minimum order fees for your hospital.)

Johnson & Johnson Gateway: www.jnjgateway.com/commerce

For questions about your order, visit the website or call 1-866-JNJ-GATE (565-4283).

Global Healthcare Exchange (GHX): www.ghx.com

For questions about your order, visit the website or call 1-800-YOUR-GHX (968-7449).

Electronic Data Interchange (EDI): JJHCS EDI Help Line: 1-800-262-2888

Nonelectronic/Manual Ordering Options

Call JJHCS at 1-800-255-2500 between 8:30 a.m. and 9:00 p.m. Eastern Standard Time or fax your order to 1-732-562-2212.

Customer Support

For product use assistance, clinical guidelines, service and repair, emergency assistance, copy of a 510(k) clearance letter or complaints, please contact our Customer Support Center at customersupport@eesus.jnj.com or by calling **1-877-ETHICON** (384-4266). Our Support Center is staffed 24 hours a day, 7 days a week by qualified nurses to answer your product-related questions.
